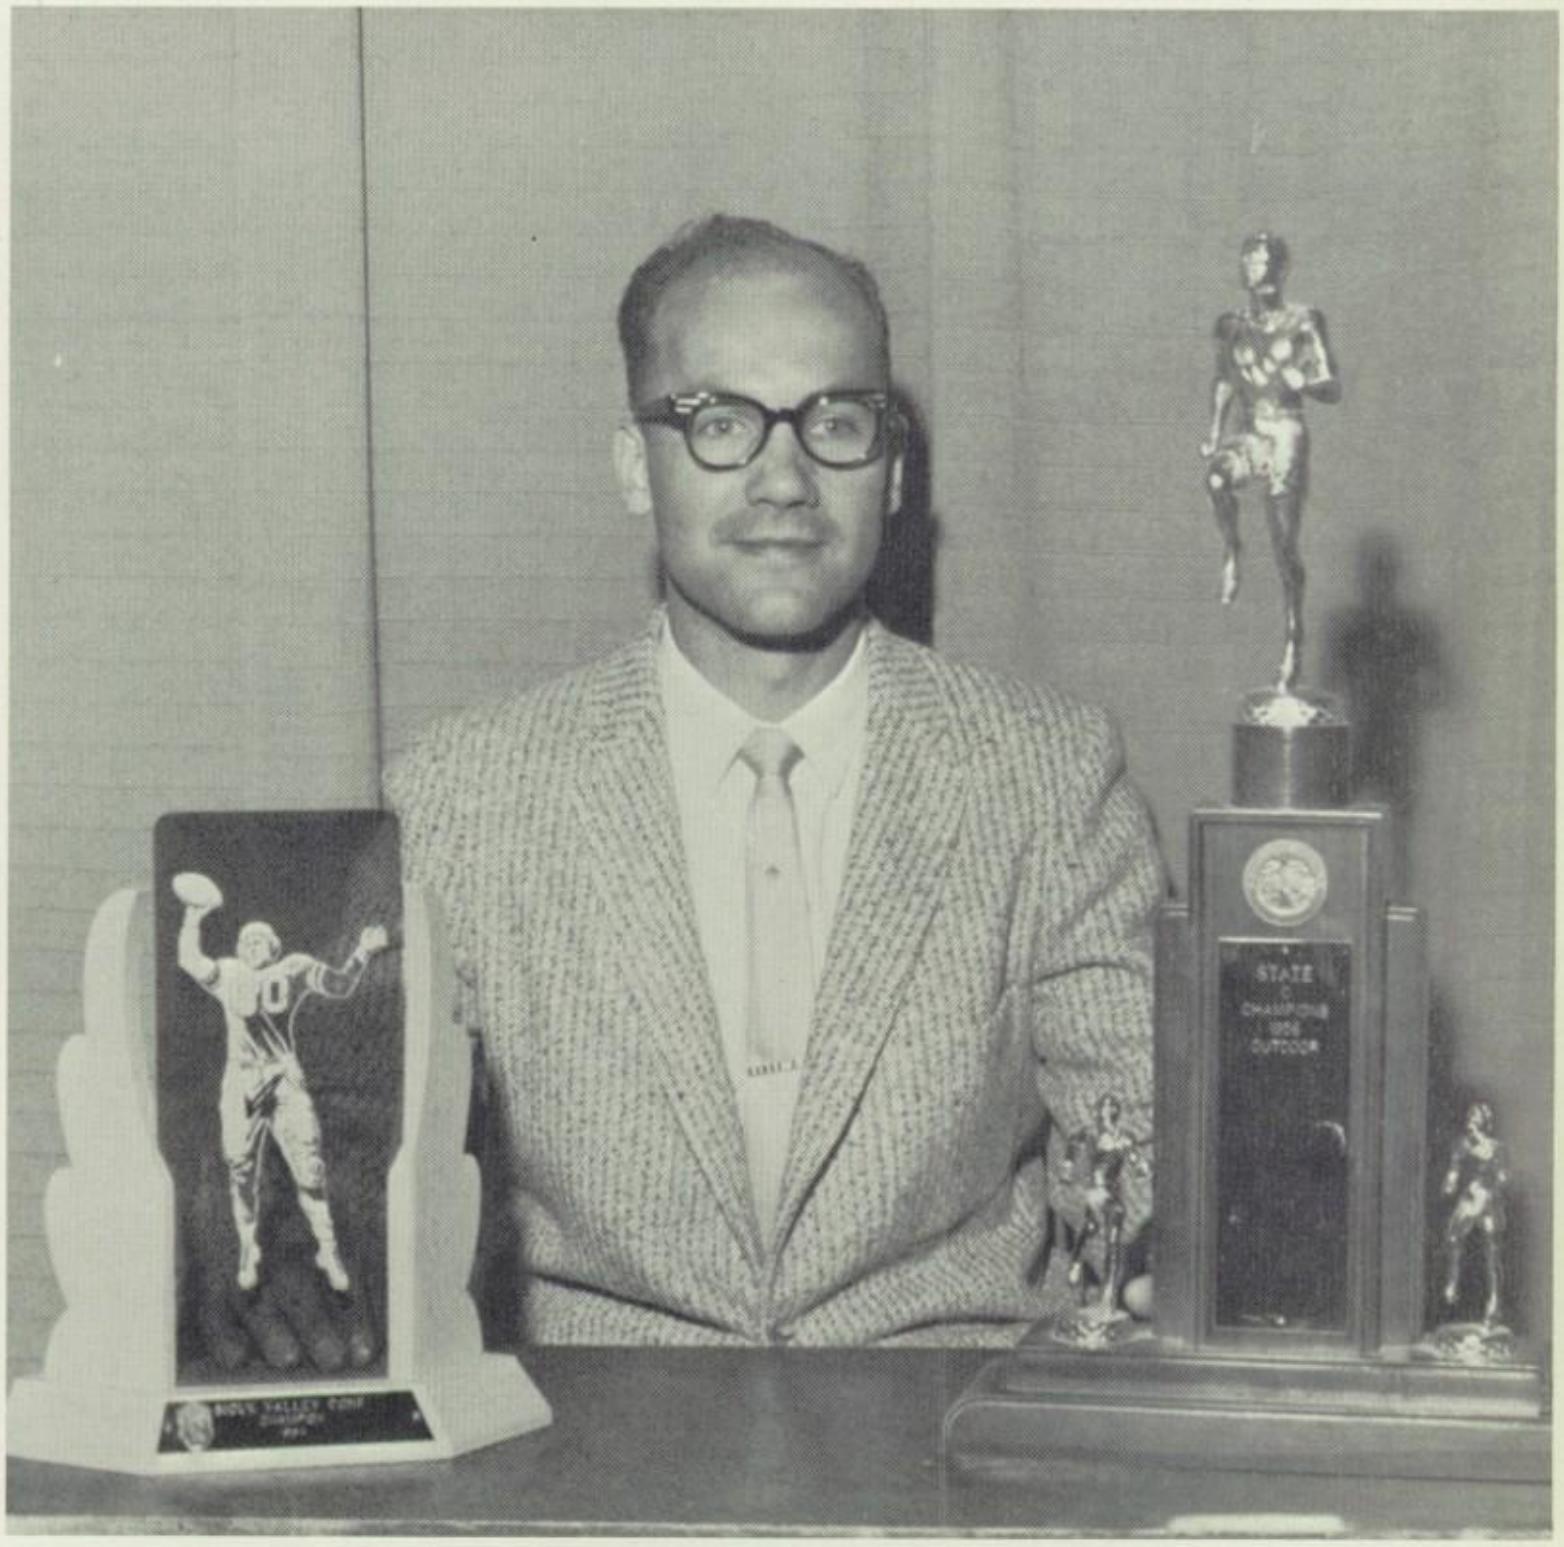
BULLDOG

Dedication



We, the Seniors of 1959 of Primghar High School, hereby dedicate this edition of the "Bulldog" to Coach Hans Sorensen, a man who holds the complete respect and admiration of the student body and faculty of Primghar High School. Coach Sorensen has helped our school achieve great honors by producing a State Championship track team in 1956 and in 1954 a Sioux Valley Conference Football Championship team. During his 8 years of coaching he has maintained a football record of 41 wins, 19 losses, and 1 tie. To you we give our sincere thanks and full gratitude for all things which you have done for us.

Primghar Defeats Sutherland in Sudden Death

Ken Merry sank a driving, reverse lay-up in a sudden death overtime to defeat Sutherland here Friday night. This shot placed Primghar in front for the first time since the early moments of the second half. This win avenges an earlier defeat and being the Sioux Valley conference game, gives the locals a 3-3 record with one game remaining in the conference.

The Bulldogs jumped out to an early 8-0 lead and then hit a cold streak that left them ahead 13-9 at the quarter and behind 21-22 at the half. In the second half it was Sutherland 38-32 at the quarter, and they also held a 9 point lead with approximately 5 minutes to go. Sundquist hit a jump shot from the side and then committed his fifth foul to leave the game with 10 points, his lowest total since early in the season. Merry hit a bucket, Heimensen hit one from the side and with about 10 seconds remaining, Merry hit another jump shot to tie the game at 46 all. With two seconds remaining in the regulation game a Sutherland player was fouled, after the referee handed him the ball, the noise in the gym became ter and the official blew his wh to take official time-out and c the crowd. The boy did not the whistle or ignored it, as shot and made the basket, h ever, because the ball was c the point did not count and substitute attempt was short, sending the game into an o time.

In the first three minute o time, Vander Tuig sank a j shot and then Rahbusch sank and a minute later Hass added other. Merry was fouled and both free throws to tie the g Rahbusch hit another jump with 8 seconds remaining in first over-time, Gerrit Va Sloot was fouled and sank free throws to send the game the sudden death over-time.

In sudden death, the first to be ahead two points wins. der Tuig controlled the tip, P ghar attempted a shot and mi Sutherland controlled the ball, bu Rahbusch's jump shot was sho and Slinger rebounded. This s the stage for Merry's game-wi ning basket.

GRADUATION—

With approximately two weeks of school left seniors begin to realize their days in PHS are almost ended. I, myself, don't quite grasp the idea of how close graduation really is. What have we got to show for our years in PHS? Certainly we came out more intelligent people and we hope mature enough to accept what lies ahead. Our school has attempted to help us become better citizens of our town and country. If we feel we didn't learn anything in our high school years we have no one to blame but ourselves. The teachers and the books, and the classrooms were there.

JUNIOR-SENIOR BANQUET—

The Junior-Senior banquet took place Saturday, April 25. It started at 6:30 at the Catholic church.

P. H. S. Completes Plans For Home Coming

The parade will start at 3:15 p.m. The Primghar Chamber of Commerce will award prizes for the best three floats, $10.00 first prize, $7.50 second prize and $5.00 third prize. Judges will select the prize winning floats Friday afternoon.

Friday night the Bulldogs will meet Milford at 7:30, with half-time activities featuring the floats, candidates for Homecoming queen, plus a fine homecoming show by the band.

A Homecoming dance will be held after the game beginning at

OUR LAST FOUR YEARS—

What memories will the seniors take with them when they leave PHS? Perhaps freshman year will be the most remembered for initiation. How we worried and fretted about it! Really it turned out to be a lot of fun. Also the boys got their first work out in high school sports. It was quite a thrill to a "freshie" to get in an important football or basketball game. Not to be forgotten are the girls who got on the high school girl's basketball team. Many fun filled years lay ahead of them. Pehaps our sophomore year will be remembered for the anticipation of things to come. Next year we would be juniors and upperclassmen. At last we were juniors and with it came lots of work. How well we will remember decoration for Homecoming and Prom. Our grade really worked together and we were proud of our work. Also this junior year brought our first class play. Many a girl gained a few pounds on the lunches the cast provided. Now we are seniors and will be graduating in two weeks. This year hasn't been quite as much work as our junior year, but equally as much fun. The people who have made our high school years so memorable are our friends in the junior, sophomore and freshmen clases. It will be

END—

Once again it's time to put away books, papers and pencils for a short time. For we seniors, it's the end of our schools days at PHS.

These days in PHS will give all of us a lot of good and probably a few bad memories. Many of us feel that it is great to be getting out of high school. But when the bell rings this coming August we will have a funny feeling inside. We will know then that our days in PHS are over.

I know I'll never forget the 28 kids I'll graduate with and the fun we had together in our four years of high school.

As the outgoing editor of the Bulldog Tracks I would like to take the opportunity to extend "thanks" to all of you — Mr. Munster, our sponsor, and to all the members of the staff, who worked to make this paper a success. I also want to thank the readers.

The Bulldogs continued their great track record with their usual good showing. This year they won the District title, Class C, and received first place at State with the Medley Relay team. (3.46:7) composed of Dave Steffens, Bill Slinger, Steve Sundquist and Ken Merry. Also Ken Merry took second place in the mile run at State. (4:36). Although they are losing 4 Seniors our team has great potential in the remaining undergraduates.
